

2008 Queensland Heritage Awards 28 August 2008

The Awards Presentation function was held at the Conrad Treasury Hotel Brisbane on 28 August 2008. It was our privilege to have Her Excellency, The Governor of Queensland, Penelope Wensley A.O. to both open proceedings and present the awards.

The National Trust of Queensland welcomed nominations from individuals, businesses, government authorities, professional bodies and community organisations.

The National Trust and the Queensland Heritage Council dedicated these awards to everyone in the community who contributes to the conservation and enjoyment of Queensland's heritage.

Previously known as the John Herbert Memorial Awards, in 2004 the awards were renamed and an overall winning certificate is named the John Herbert Memorial Award in honour of the late Honourable John Herbert MLA, President of the National Trust from 1971 to 1974.

Congratulations and thanks to everyone that participated in the 2008 Queensland Heritage Awards.
