**Clive Plater, Shane Dickman, Brian Klease
Nambour & District Historical Museum**

Project:
Restoration of Steam Locomotive "Eudlo", Nambour

For the cosmetic restoration by volunteers of the 1925 steam locomotive 'Eudlo', the last locomotive to work at the Moreton Sugar Mill. One of few surviving cane trains once so significant to Nambour, the project has been achieved through grant funding and volunteer labour.

Clive Plater, President,
Nambour & District Historical Museum
Penelope Wensley, AO, Governor of Qld,
John Jackson, President,
National Trust of Queensland

National Trust Community HIGH COMMENDATION AWARD

John Weir

Project: Conservation of West End Cemetery, Townsville

For the commitment and work of volunteer John Weir in conserving and maintaining Townsville's West End Cemetery. John's promotion of the place as an historical resource has been instrumental in changing community attitudes towards the cemetery.
