**Project:**  
William Street Stonework  
Conservation, Conrad Treasury  
Brisbane

For conservation work on the sandstone of the William Street facade of the former Treasury Building, establishing a robust process that exemplifies Burra Charter principles of care for heritage places. Despite constraints, the project has protected and enhanced the stonework and developed a methodology for future work.

## Queensland Heritage Council **GOLD AWARD**

### **Friends of Tingalpa Cemetery Heritage Group Inc.**

**Project:** Restoration of Tingalpa Pioneers' Chapel

For the outstanding efforts of the volunteers of the Friends of Tingalpa Cemetery Heritage Group Inc. in saving, conserving and restoring the chapel, cemetery and the church grounds. The Group is to be commended for their ongoing research of the site and making it accessible for the benefit of the community.
